REPLY TO DECISION ON PETITION UNDER 37 C.F.R. § 1.47(a)

Sir:

Applicants hereby reply to the Decision On Petition mailed November 22, 2006
in connection with this case.

To briefly recap, applicants filed on September 14, 2006 a Petition For Filing By
Other Than All Inventors Under 37 C.F.R. § 1.47(a) along with a Reply To Notification Of
Missing Requirements, a partially-executed Declaration And Power Of Attorney, and related
papers.

On November 22, 2006, the USPTO mailed a Decision On Petition dismissing applicants' Petition (copy of Decision enclosed).

Applicants have since recently received a January 4, 2007 letter and an executed Declaration And Power Of Attorney from previously-uncooperative joint-inventor Max Aebi. Copies of the letter and executed Declaration are also enclosed.

As evidenced by the letter, Mr. Aebi did receive (and refused to execute) the Declaration and application papers previously sent by Ms. McPherson as indicated in her September 14, 2006 Statement Of Facts.

However, in view of applicants' receipt of the executed Declaration by Mr. Aebi, applicants do not renew their Petition For Filing By Other Than All Inventors and, instead, request continued processing of their September 14, 2006 Reply To Notification Of Missing Requirements.

Because this Reply is being filed within two months of the November 22, 2006 mail date of the Decision On Petition, no fee is believed due. However, if for any reason a fee is due in connection with this Reply, please charge that fee to Deposit Account No. 50-3013. A duplicate copy of this Reply is enclosed.

Respectfully submitted,

DECISION ON

PETITION

UNDER 37 CFR 1.47(a)

Response Due 1/22/07
(50)

This is a decision on applicants' petition under 37 CFR 1.47(a) filed 14 September 2006 in the United States Patent and Trademark Office (USPTO).

BACKGROUND

On 17 December 2002, applicants filed international application PCT/CH2002/000705. A copy of the international application was communicated from the International Bureau to the USPTO on 01 July 2004. The thirty-month period for paying the basic national fee in the United States expired at midnight on 17 June 2005.

On 14 June 2005, applicants filed a submission for entry into the national stage in the United States which was accompanied by, *inter alia*, the U.S. Basic National Fee.

On 14 February 2006, the Office mailed a NOTIFICATION OF MISSING REQUIREMENTS (Form PCT/DO/EO/905) indicating, *inter alia*, that an oath or declaration of the inventors in compliance with 37 CFR 1.497(a)-(b) was required.

On 14 September 2006, applicants filed the instant petition under 37 CFR 1.47(a), accompanied by the fee for a five month extension of time and a declaration of inventors.

DISCUSSION

A petition under 37 CFR 1.47(a) must be accompanied by: (1) the fee under 37 CFR 1.17(h); (2) factual proof that the missing joint inventor refuses to execute the application or cannot be reached after diligent effort; (3) a statement of the last known address of the missing inventor; and (4) an oath or declaration by each 37 CFR 1.47(a) applicant on his or her own behalf and on behalf of the non-signing joint inventor.

Items (1) and (4) have been satisfied.

Item (2) has not been satisfied. Applicants allege that Mr. Aebi has refused to sign the declaration of inventorship, but have not established that the inventor was presented with a complete copy of the application papers including the specification, claims and drawings. Ordinarily, this is done by sending a complete copy of the papers to inventor's last known residence by return receipt mail. Copies of documentary evidence supporting a presentation with a complete copy of the application papers should be provided. MPEP 409.03(d). The email delivery receipt confirms delivery of the email, not receipt. A refusal to sign in the absence of presentation with a complete copy of the application papers is not ordinarily sufficient.

Mr. Tuma states that Mr. Aebi was refusing to sign any papers related to the above-identified patent application as of 10 August 2005. As earlier indicated, refusal to sign in the absence of presentation with a complete copy of the application papers is not normally sufficient. Additionally, it is not clear that the author of the 10 August 2005 letter to Mr. Spaw has firsthand knowledge of the alleged refusal. Further, transfer of ownership rights is not required for Mr. Aebi to sign the declaration of inventorship.

Item (3) has not been satisfied. The last known address of a non-signing inventor is ordinarily the last known residence of the non-signing inventor. MPEP 409.03(e). The address provided for Mr. Aebi is a business address.

CONCLUSION

For the above reasons, applicants' petition under 37 CFR 1.47(a) is **DISMISSED**, without prejudice.

If reconsideration on the merits of this petition is desired, a proper response must be filed within TWO (2) MONTHS from the mail date of this decision. **Failure to timely file the proper response will result in abandonment of this application.** Any reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.47(a)". No additional petition fee is required. Extensions of time may be obtained under 37 CFR 1.136(a).

Please direct further correspondence with respect to this matter to Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.
